That's about all there is to say, courtesy meeting in response to Hudbay's external counsel, Alan Mintz' request. Alan has brought his clients in to HQ a few times in past years. First one I participated in was with Bob Sussman several yrs ago, another 1-2 years back was with Ken (my recollection anyway) when Hudbay had just acquired interest in Rosemont.

When I brought meeting to attention of Jason Brush (R9), he thought it wise to alert Horst, who has coordinated interagency mtgs on the proposed mine in recent years. As a true listening session, don't see any need for his involvement, nor reason for concern.

Yes I am copying Dave Evans who knows more about it – I am handling for OW tomorrow I think as Ken and others are doing a Region 3 visit then. I plan to listen to what they have to say and that is it.
